9) After discussion on the several items involved, the Committee prepared the estimate of the probable expenditure on the working of the Byrapur Chrome Block, showing the limits for the different items which may be fixed for the present. A detailed statement of the estimate is appended to the proceedings. It was decided that a sum of Rs.16,250 would be required for proceeding with the mining work on the area.

9) (2) The Committee decided that the Comptroller to Government may be requested to make available for the present, an amount up to Rs.16,250 in the Tiptur Taluk Treasury, on the requisition of the Superintendent of the Byrapur Chrome Block. Detailed accounts of the expenditure incurred would be forwarded to the Comptroller by the ~~Committee~~ Supdt, once a month.

Encl. 97-25

10) (3) The Committee decided that Mr. B.N. Venkataramaiya, Assistant Geologist, may be detail for duty as Superintendent of the Chrome Block. His pay will, in the first instance, be drawn as usual from the Department, the travelling allowances admissible to him during his stay at Byrapur being however charged to the operation expenditure incurred on working the Block.

11) The Director of Geology was requested to issue instructions to Mr. Venkataramaiya to report himself to the Chairman of the Committee for furth instructions.

12) (4) The letter from the Deputy Commissioner Hassan, reporting the progress of the acquisition proceedings was placed before the Committee. It was decided that orders may issue directing that the cost of the acquisition proceedings may be met from the grant of Rs.60,000 placed at the disposal of the Committee for working the Chrome Block.
